

## Type Approval Certificate

This is to certify that the undernoted product(s) has/have been tested with satisfactory results in accordance with the relevant requirements of the Lloyd's Register Type Approval System.

<b>Manufacturer</b>	<b>Wouter Witzel EuroValve B.V.</b>
<b>Address</b>	Industrieterrein De Pol 12, Losser, 7581 CZ, Netherlands
<b>Type</b>	Butterfly Valves
<b>Description</b>	Soft seated high performance butterfly valve. Flanged, wafer and tapped lug type
<b>Trade Name</b>	Eurovalve DYNAXE
<b>Application</b>	Butterfly valve for marine and offshore piping systems
<b>Specified Standard</b>	LR Rules and Regulations for Classification of Ships, July 2021 EN 558:1 & 558-2 API 609 Cat. B Table 2 150# only ISO 5211 ISO 10497-5:2004 API 607, 5 <sup>th</sup> Edition, June 2005 LR Type Approval System Procedure TA 14 Version 04 (September 2020)
<b>Ratings</b>	See Appendix
<b>Additional Tests</b>	All relevant materials used (e.g. housing, disc) for pressure-retaining parts are to be tested and certified as per the "Rules for the Manufacture, Testing and Certification of Materials" or as allowed by Part 5, Chapter 12, 1.7.1 of the LR

71 Fenchurch Street, London, EC3M 4BS, United Kingdom

**Joseph Buttigieg**

Lead Technical Specialist to Lloyd's Register  
EMEA  
A member of the Lloyd's Register group

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

## Type Approval Certificate

Rules and Regulations. Final acceptance remains to be to the attending Surveyor's satisfaction

For use in applications where the design temperature is below 0 deg. C and for other applications where guaranteed impact properties are required, relevant materials used for pressure-retaining parts are subject to Charpy V-test requirements as per the Rules for Materials

### Other Conditions

In all cases, the materials of valve housing, disc and seals are to be suitable for the proposed service and media

Valves are to be installed to manufacturer's instructions and the satisfaction of the attending Surveyor

Operating gear for the control of these valves does not form part of this approval

See Appendix for further conditions

This certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register EMEA of any modification or changes to the equipment in order to obtain a valid Certificate.

**Previous Version:** 16/30025

The Design Appraisal Document PRJ11100345291-1/JB and its supplementary Type Approval Terms and Conditions form part of this Certificate.
