What can you win?

The winner will receive a waterproof calculator and puzzle book!

$$\text{Yellow valve} + \text{Orange valve} + \text{Orange valve} + \text{Orange valve} = 38$$

$$\text{Yellow valve} - \text{Orange valve} + \text{Silver valve} + \text{Silver valve} = 8$$

$$\text{Orange valve} + \text{Silver valve} + 2 \times \text{Gold valve} + 2 \times \text{Gold valve} = 19$$

$$\text{Yellow valve} - \text{Gold valve} + \text{Orange valve} \times \text{Silver valve} = ?$$
