HOW MANY VALVES?

Celebrate 60 Years of Wouter Witzel and win a pair of JBL noise cancelling headphones!

How it works

Wouter Witzel supplies valves to various markets and industries worldwide.
Below, you'll find three projects from our three largest sectors: marine, water and industry.
How many valves did Wouter Witzel supply for each project? Add up the number of valves used in all three projects and send your answer to **marketing@wouterwitzel.nl**

What can you win?

The winner will receive a pair of JBL noise-cancelling headphones!

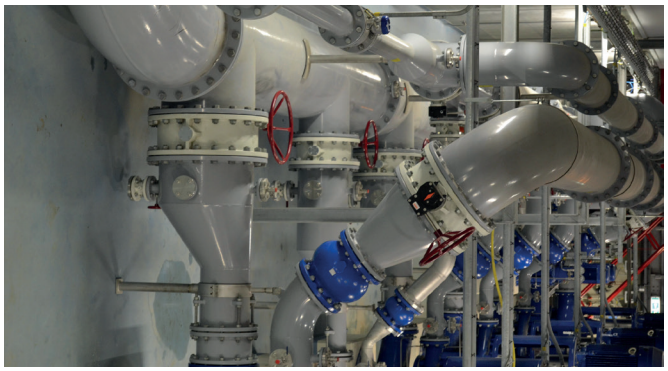

Marine

Decommisioning vessel

Pioneering Spirit

Valves:

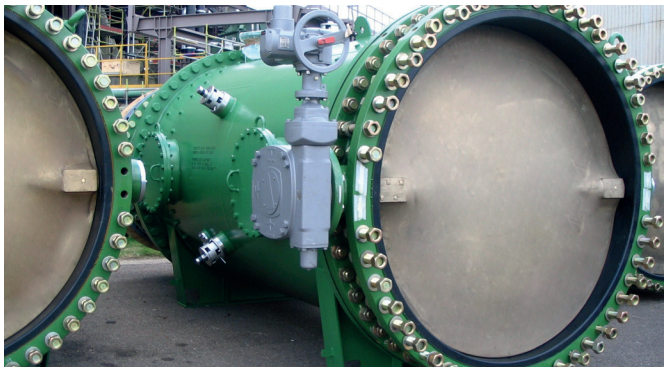

Water

Water treatment
